A brief synopsis of the proceedings of the late convention of the Democracy of Indiana has ing prevailed throughout the entire sension. The Sentinel makes the following report of the SPEECH OF HON. JOHN G. DAVIS.

committee on resolutions, was called upon to ad. from Chicago to Boston would describe it. frees the convention. He said he felt honored being thus invited by his fellow-citizens, le f he was unequal to the task of doing justice to he subject, pethaps the imbility might arise b cause of his recent visit to Elichmond, Va., by way of Hopkinsville, Ky. [Laughter.] If he but trip, he would have been happy to have been hearer of dispatches from Dealectats of the North to their friends of the South. [Chees and health, and sent his kind regards to his many friends in Indiana, whose names perhaps it We are clearly of the opinion that, if cotton would not be prudent to mention, for he did not | want them hung. The worthy possident of the convention might be one, and we could not spare so valuable a spoke from the wheel of Democ-

-his life threatened by the black abolition party. He defied them. There were but two patties to ists. The battle now being waged was between the friends of the Constitution and the Union on the one side and the aboutionists on the other.

Threats could not intimidate him. He intended to speak his sentiments. They might burn his property, might take him to the block-be would ascend the scaffold with a firm step—but ket before planting time next year, in defiance of them all he would express his opintry. He was charged with being a Secondariat The standard by which the Republicans judged a man was this: If you were a friend of Old Aband his administration you were a good Union difficulties if they had been disposed. They weighed the Chicago platform and the Union one against the other, and concluded to take the Chi-

cago pistform, and let the Union street

He had said in some of his speeches during one relieved from present embarrastiment. At the sammer that this war would cast \$200,000. pays the government this money? It comes out holding cotton who does not regret that he did modes of internal taxation, such as property and of the hard earnings of the tax-payers. The in- not produce more provisions and less cott as last remain of this immense sum [\$1,000,000,000,000]
\$140,000,000 to be caused by direct transion.
Indiana's share of this would be some \$7,000.

A few days since Major, a slave belonging to 000, to be raised, be repeated, by direct transion.

Its thought the Let no harm befall these people, if they quietly submit; but bring them in and place them in loaving Exchange Building and some of those who epcamp below the breastworks, and have them posed his conomical ideas then, opposed his new, and properly guarded. The intention is not to make their mative was economic! He knew what was a diffical prisoners of these people, but to cut off the bottom of the whole opposition—the proposed build ever, women and children prefer other protection law had mentioned a proposition, but this not say who than we can afford them, they may be allowed it was, and well be all not. He opposed a Council half to retire beyond the limits indicated, not to return but no officers. He had no idea the Board would accept any such proposition. On the city's ground stands th Report to mb, as soon as possible, every im- gre engine house, with a good fall which the city matales, and those who could not walk up those stales had hetter resign and let those he ejected who could. He went for a new ball, if it did cost twenty thousans

Ald, Merral called attention to the prond destiny of Memphis, and should its city half he in a comer, by an writes as strongly as he fights. The following alley where no southern breeze blow to sname, and o anty of a deposit of United States stocks for all venues were written by him, on the spur of the southern sun shops in winter . (That was taking a se bills issued by the former, would not add in liestant, when asked by a young lady to give her truly suthern steer of the question). He objected the he alignized degree to their solvency. They are some words to be sung, upon a patriotic occa- to bullding a half-till a fine, handsome edition could be built; and the city has not the cash for that. War times are no times to build halls. Not only is money scarce but labor and soutering are dear, and thus, two the elty is at this moment almost within reach of the enemy bomb shells. He defended the not of coming to the present hall, it was done not to save sixteen. Abbrition from a long walk, but to place the city offices, where the pernie could get to do ther business.

A vote was taken, and six voted for the proposition to ndefinitely postpone the leasteres, while seven would galast it. The names of the voters will be found in the Ald. Robinson proposed to rent the present hall an

ther year for \$2,500. He pointed out the fact, that the speakers on the office side had not undertaken to prove that the city was in the financial comillion regulars! to do the job-they down not do it. The place they proposed to go to was a "little hale sturk in a wall, by the a do of an alley." (Graphic that.) He invited the Board "to come up and meet the financial question fully and square'y."

From the editor of the late Sandy Valley Advo-cate, who arrived here from Sandy Valley, we gaging the present room now; that each be tone in learn the second invasion of Eastern Kentucky three meaths time, May let, when the property year ex-

On 'Change-Business News,

There was a good attendance on 'Change yearday, and a fair amount of business was done. Com was netlye, and a considerable portion changed hands, as or market report shows. The receipts of flour me boavy, but little is selling.

The intelligence of the Monday a New Orleans mark was of interest. Flour continued duff and prices were lower. Corn was in demand at unchanged rates. When ad form were quiet. Nothing doing to outs and ry egay and polesses both shill at a further decline. The manifests of the steamers Walsh and Quitinos in on their way up to this city, will be found in muchas

The aggregate receipts by milrosus and steamboats esterday were as follows: All sucks bran, 125 barre uples, 28 garkings also parter and been, 190 pieces but ther. 40 sacks begins, its eases boots and abues, 12 barrel beef, 36 bales cotron, 1621 suchs corn, 430 head carrie, 66 cases dry goods, 51 sacks and 1910 barrels flour, 307 hour logs, 17 time hun and steel, 9 kegs, 17 barrels and 1 tierers land, 13 bond or leather, 767; harrels reclasses, 30 kegs malls. 148 harrels petatoos, 10 tierces rice, 52 cell ape, 24 barvels and 957 hegatends sugar, 1200 sucks an higsheads and Thi buxes tobacen. His sucks wheat, The Ohio railroad to-day receives freight for her ations, except Paris, and for stations on the Mobi

railroad north of McNuiry.

The difficulty of forwarding freight, owing to t speed occupancy of the cellrones for telling purpose arts to ninely discontent, and of course to a temberry suborte blame and shofffault. Among other things as been meeted time while apparently admitting a eights that arrive with coral impartially, those sent ! there. In reply to this the president, Mr. Tute, says t ty of weing that all freights aint were received eir ture. Also that when Mr. Grider, the thus reight agent was discharged, over a month ago, he h stween three and har handred our lands of freight and on which the railroad company was liable for velve thousand dollars charges. A list of this wa ade out and ten or twolve mer hands of it ovel and to melved daily murit all, the back finight was cleared of was this clearing off basis freight which dealstess the charges adverted to: If the City Council b re permitted the large space of unsecupied ground clinaling between Poplar and Washington street med as a sugar-leves, our storage room would he en less crowded and much less and conjusion avoids The New Orleans Sullicia of Monday reports:

Sales of cotton on Saturday 1000 bales for hymest apertine and \$11 for extra-also, on Friday, 300 be superfine at -. Sales of corn 11d eachs white, e sucks, at 800, and 900 white said mixed at 900 ing reported in outs. Sales of brain 100 snews a Sales of hay his bales prairie grass at 830.

The same paper says :

It will be seen by a telegram hand in another plin I come will puss it, of course, 25th their only the wisdom and patriotion of Gov. Moory, if he will exert those yir mes, can present a heavy blow being almed at the high immedal standing of that State. Telegrams to New Oreans state that the Heuse committee on counciles have have and this the Heuse committee on counciles have. uported against the expert of coston from any port in outlines. The net is considered incomstitutional, as the mstitution of the Confederacy gives to Congress th
